Dear Dr. Lim,

We are pleased to inform you that your abstract entitled, *Intravenous Mobilized Autologous Peripheral Blood CD34+ Stem Cell Transplantation For Angina*, which was presented at one of the American Heart Association's Specialty Conferences in 2016 is among the top 10 percent of the accepted abstracts presented at the conference.

To honor your top-scoring abstract, you have been selected to re-present your abstract as a poster presentation at [Scientific Sessions 2016](#), which takes place November 12-16, New Orleans Convention Center, New Orleans, LA. As the premiere cardiovascular conference in the world, with nearly 18,000 professional attendees, presenting at Scientific Sessions will provide greater visibility and a broader reach for your science. The meeting also serves as a great avenue for robust discussions as global leaders in cardiovascular research and practice see your science.

Abstracts in the Best of AHA Specialty Conferences at Scientific Sessions, will enjoy the following benefits:

- **Worldwide** exposure to **News Media** (Scientific Sessions 2015 meeting coverage generated more than 5 billion media impressions and 15 million impressions were made from news-related social media events.)
- Inclusion in the **E-Poster Viewing Stations** – Attendees view e-posters at personal workstations and communicate with poster presenters via the E-Poster Discussion Forum – a great networking tool!
- Inclusion in the **QR Code Technology** – An application that enables attendees to view your poster and audio/video file on their smart phones.

Below are the session details for the Best of AHA Specialty Conferences Poster Sessions:

Session Title: Best of AHA Specialty Conferences: BCVS 2016
Session Date: Monday, November 14, 2016
Presentation Time: 10:45 AM - 12:00 PM

IMPORTANT: In order to re-present your abstract at Scientific Sessions 2016, you **must** present your abstract at the Specialty Conference meeting. It is at your discretion to accept this invitation and therefore there is **no complimentary** registration offered.

Registration/Housing

Presenters need to register in the appropriate category (AHA member, nonmember, etc.) and pay the appropriate fees under each category. Visit www.scientificsessions.org for registration information.

Poster Printing Service

The American Heart Association is offering a professional poster printing service.

- Use one of the professional free PowerPoint templates to build your poster from or upload an existing poster file.

- Exceptional printing for your full-color poster on high quality paper formats.

- Request your poster to be conveniently shipped directly to the New

Orleans Convention Center and pinned on your designated poster board in the Poster Hall on the day of your poster presentation. Avoid the risk of loss and damage traveling with a bulky poster tube, additional charges and security lines at the airport.

Information will be sent at a later date with instructions on submitting your poster for printing.

Thank you for considering this great opportunity and we look forward to your presentation at Scientific Sessions 2016.

Sincerely,

Scientific Sessions Program
